**Interlocal Access Agreement for Local Government Publication of Legal
Advertisements and Public Notices on County Designated Website**

This Interlocal Agreement ("Agreement") is made and entered into by and between Miami-Dade County, Florida ("County"), a political subdivision of the State of Florida, and Valencia Acres Community Development District, a municipality, other unit of local government or other political subdivision in the State of Florida ("Local Government"). The parties to this agreement are solely the County and the Local Government (each a "Party," and collectively the "Parties").

RECITALS

A. Section 50.011 of the Florida Statutes provides requirements relating to the publication of legal notices, including requirements relating to the types of newspapers and print publications that may be utilized for official legal advertisements and notices placed by local governments; and

B. Section 50.011 also provides that such advertisements and notices may instead be placed on a publicly accessible website, as provided in section 50.0311; and

C. Section 50.0311 in turn provides that "[a] governmental agency may use the publicly accessible website of the county in which it lies to publish legally required advertisements and public notices if the cost of publishing advertisements and public notices on such website is less than the cost of publishing advertisements and public notices in a newspaper"; and

D. Pursuant to section 50.0311, the County has decided to designate a publicly accessible website – **legalads.miamidade.gov** - for the publication of legally required advertisements and public notices, provided the cost of publishing such advertisements and notices on this website is less than the cost of publishing them in print; and

E. Local Government desires to utilize the County's designated publicly accessible website for the online publication of certain advertisements and notices, in accordance with section 50.0311; and

F. The Parties wish to enter into this Agreement to facilitate the Local Government's use of the County's publicly accessible website to publish certain legal advertisements and public notices and to address, among other matters, costs, parameters, and indemnification.

TERMS

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Recitals. The foregoing recitals are approved and incorporated herein.

2. Designation of Website. The County has designated **legalads.miamidade.gov** (“Website”) as the publicly accessible website for the publication of legal advertisements and notices by governmental agencies in Miami-Dade County, pursuant to section 50.0311 of the Florida Statutes. At any time, the County may, in its sole discretion, choose to designate a different website for this purpose. If the County does so, it shall provide notice in a manner of its choosing to the Local Government and any such new designation shall be automatically effective upon the date stated in County’s notice. Any such new designation shall not require amendment of this Agreement. Such newly designated website shall be thereafter deemed the “Website” for purposes of this Agreement.

3. Utilization of Website. The Local Government may utilize the Website for its publication of legally required advertisements and public notices in accordance with the requirements of section 50.0311 of the Florida Statutes, if and to the extent it elects to do so. Nothing in this Agreement obligates the Local Government to utilize the Website for publication of any particular advertisement or notice. For any advertisements and notices that the Local Government wishes to publish on the Website, the County shall provide the Local Government with the ability to do so in a manner of the County’s choosing. All postings by the Local Government must include contact information to ensure prompt identification of the responsible party. Separate and apart from its use of the Website, the Local Government shall be solely responsible for the placement of any advertisements or notices that the Local Government is required, or chooses, to publish in a print publication and for any advertisements or notices that the Local Government provides by mail or email pursuant to section 50.0311(6) or any other applicable law, rule, or regulation.

4. Term. The term of this Agreement shall commence upon the date it is fully executed by the Parties (“Effective Date”) and shall continue until terminated by either Party as otherwise provided herein for a period not to exceed five years, with a possible option to renew, as provided herein.

5. Extensions. The County may extend this Agreement for two additional five-year terms (each an “Extension Term”) on the same terms and conditions stated in this Agreement, though costs may change, by sending notice to the Local Government at least 30 days prior to the expiration of the then-current term. It is provided, however, that nothing herein shall be deemed to preclude the Parties from entering into additional agreements in the future relating to the Local Government’s use of the Website.

6. Compliance with Legal Requirements. Each Party shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement. For the duration of this Agreement, the Local Government shall be solely responsible for verifying and ensuring its eligibility to utilize the Website in accordance with section 50.0311 and for adherence to all applicable requirements, obligations, duties, procedures, and conditions set forth in chapter 50 of the Florida Statutes, including, but not limited to, section 50.0311, and in any other applicable federal, state, or local law, rule, or regulation, as may be amended from time to time (“Legal

Requirements”). The County shall have no responsibility for ensuring that the Local Government, or its use of the Website, complies with such Legal Requirements or any other law, rule, or regulation.

7. County Actions are Ministerial. The Local Government acknowledges that any and all advertisements and notices published on the Website are prepared and published by the Local Government and not the County, and that any and all actions of the County in conjunction with or relating to the designation of the Website for use by the Local Government are, and shall be construed at all times as being, purely ministerial acts.

8. Services Description. The County will provide the Local Government access to publishing its legal advertisements and notices on the Website. The County will supply the software, licensing, maintenance, and prerecorded online video trainings required to provide Local Governments with access to the Website, with a maximum of two users each, to publish legal advertisements and public notices. The Local Government will be responsible for promptly notifying the County when any agents or employees of the Local Government should have their access to the Website revoked. The County will maintain the email distribution list for users that opt-in to receive email or direct mail from the County. However, the Local Government will be responsible for maintaining its own email and first-class mailing lists or distribution as part of Section 50.011 of the Florida Statutes. The County is not responsible for connectivity disruptions or delays caused by circumstances beyond its control.

9. Training. The County will provide prerecorded online video training sessions that can be accessed by the Local Government to assist with its use of the Website. As part of this Agreement, the County may provide updates regarding new capabilities and features, if applicable.

10. Support. The Local Government will have access to the online FAQ page to review answers to commonly asked questions. The County will provide support contact details, which may include a contact group, form, or individual, at the start of the agreement upon onboarding. County support hours are between the hours of 8 a.m. and 5 p.m. Monday through Friday, excluding observed County holidays. The County shall have the sole discretion to determine whether support requests qualify as an emergency, exceed reasonable use or are outside the scope of services. Urgent requests necessitating expedited processing outside of support hours are subject to additional fees, as delineated in the current Communications and Customer Experience Department (CCED) and Information Technology Department (ITD) rate sheets. Support service does not include support for errors caused by third party products or applications for which the County is not responsible.

11. Financial Responsibility. The Local Government shall bear all fees and costs relating to its use of the Website, including, but not limited to, fees and costs associated with any software and licensing, or website maintenance necessitated by Local Government’s use of the Website, and any County administrative staff time required to facilitate Local Government’s use of the Website. In a manner of its choosing, the County, or such entity designated by the County, shall invoice the Local Government for such fees and costs and, upon receipt of such invoice, the Local

Government shall be responsible for the timely payment of all such fees and costs. Additionally, separate and apart from its use of the Website, the Local Government shall be solely responsible for any and all costs associated with the placement of any advertisements or notices that the Local Government is required, or chooses, to publish in a print publication and for any advertisements or notices that the Local Government provides by mail or email pursuant to section 50.0311(6) or any other applicable law, rule, or regulation. If the Local Government fails to pay such fees and costs in a timely manner, the County may terminate the Local Government's access to the Website, and the County shall have no liability to the Local Government for such termination or lack of access due to non-payment.

12. Costs. The annual necessary software, maintenance, and support costs for each Local Government are estimated to be \$707 per Local Government agent or employee user. This figure represents an approximate estimate of the anticipated recurring annual costs, which may vary from year-to-year, and nothing herein shall be deemed to preclude the County from charging the Local Government the actual costs associated with its use of the Website in a given year, as provided in paragraph 11. In addition, such costs may be subject to annual increases at the County's discretion, and the Parties agree that the estimated annual cost figure set forth in this paragraph shall be adjusted and deemed amended herein accordingly.

13. Reimbursable Expenses. The Local Government will not be reimbursed for expenses it bears unless expressly provided for in this Agreement.

14. Sovereign Immunity. Nothing herein is intended to serve as a waiver of sovereign immunity by either Party nor shall anything included herein be construed as consent by either Party to be sued by a third party in any matter arising out of this Agreement.

15. Indemnification. Local Government shall indemnify and hold harmless the County and all of the County's current, past, and future officers, agents, and employees (collectively, "Indemnified Parties") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and (i) relating to the Local Government's use of the Website or the Local Government's advertisements or notices published on the Website, or (ii) caused or alleged to be caused, in whole or in part, by any breach of this Agreement by the Local Government, or (iii) any intentional, reckless, or negligent act or omission of the Local Government, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement or the Local Government's use of the Website. The Local Government further agrees and acknowledges that, from time to time, issues relating to, for example, technological glitches or failures, hardware or software malfunction, connectivity, and loss of power may arise and that such issues may impact the ability of the Local Government to use the Website to publish advertisements and notices. The Local Government agrees and acknowledges that the County shall not be liable for any such issues, and further agrees to indemnify and hold harmless the Indemnified Parties from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses,

including through the conclusion of any appellate proceedings, raised or asserted by any person or entity relating to such issues. The obligations of this section shall survive the expiration or earlier termination of this Agreement.

16. Termination. Either Party may terminate this Agreement without cause upon at least 90 days' prior written notice to the other Party. This Agreement may also be terminated for cause by the aggrieved Party if the Party in breach has not corrected the breach within 30 days after receipt written or electronic notice of from the aggrieved Party identifying the breach. In the event that any confidential records or materials are exchanged, the Parties shall endeavor to treat the other Party's confidential information as it would treat its own confidential information of a similar nature. In the event that third party records are exchanged, the Parties mutually agree to inform the other Party of any requirements or potential confidential nature of such records. The parties' compliance with, or good faith attempt to comply with, the requirements of Chapter 119 of Florida Statute shall not be considered breach of this Agreement.

18. Notices. Unless expressly provided otherwise in another section of this Agreement, for any notice to a Party to be effective under this Agreement, such notice must be sent via U.S. first-class mail, with a copy sent contemporaneously via email, to the addresses listed below. MEMORANDUM

TO: District Manager

FROM: Billing, Cochran, Lyles, Mauro & Ramsey, P.A.
District Counsel

DATE: June 30, 2025

RE: 2025 Legislative Update

As District Counsel, throughout the year we continuously monitor pending legislation that may be applicable to the governance and operation of our Community Development District and other Special District clients. It is at this time of year that we summarize those legislative acts that have become law during the most recent legislative session, as follows:

1. Chapter 2025 – 195, Laws of Florida (SB 268). The legislation creates a new public records exemption under section 119.071(4)(d)6., F.S., for certain personal identifying and locating information of specified state and local officials, members of Congress, and their family members. Specifically, the exemption applies to the partial home addresses and telephone numbers of current congressional members, public officers, their adult children and spouses. To assert the exemption, the public officer or congressional member, their family members, or employing agencies must submit a written, notarized request to each agency holding the information, along with documentation verifying the individual's eligibility. Custodians of records must maintain the exemption until the qualifying condition no longer exists.

The legislation narrows the definition of "public officer" to include only the Governor, Lieutenant Governor, Chief Financial Officer, Attorney General, or Commissioner of Agriculture; as well as a state senator or representative, property appraiser, supervisor of elections, school superintendent, city or county commissioner, school board member, or mayor. This exemption applies to information held before, on, or after July 1, 2025. It is subject to the Open Government Sunset Review Act and will automatically repeal on October 2, 2030, unless reenacted by the Legislature. The effective date of this act is July 1, 2025.

While the new exception is not specifically applicable to a member of a Community Development District ("CDD") board of supervisors, if any board members or related officials fall within this definition of a "public officer" who has asserted the exception, the CDD must protect the partial home addresses and telephone numbers of these individuals, as well as similar information about their spouses and adult children. CDDs will need to update their public records procedures to verify and process these requests to ensure exempt information is withheld.

2. Chapter 2025 – 174, Laws of Florida (HB 669). The legislation prohibits a local government’s¹ investment policy from requiring a minimum bond rating for any category of bond that is explicitly authorized in statute to include unrated bonds. Current law permits local governments to invest in unrated bonds issued by the government of Israel. The bill ensures that investment policies do not impose additional rating requirements that conflict with this statutory authorization. The effective date of this act is July 1, 2025.

This law prevents a CDD from imposing stricter bond rating requirements in their investment policies than those allowed by state law. Specifically, if state law authorizes investment in certain unrated bonds, such as those issued by the government of Israel, a CDD cannot require a minimum bond rating for these bonds in its investment guidelines. CDDs must align their investment policies with statutory permissions, allowing investment in authorized unrated bonds without additional rating restrictions.

3. Chapter 2025 – 189, Laws of Florida (SB 108). The legislation makes significant amendments to the Administrative Procedure Act (APA), revising rulemaking procedures, establishing a structured rule review process, and changing public notice requirements.

New Timelines and Notice Requirements:

- Agencies must publish a notice of intended agency action within 90 days of the effective date of legislation delegating rulemaking authority.
- Notices of proposed rulemaking must now include the proposed rule number, and at least seven days must separate the notice of rule development from proposed rule publication.
- Agencies must electronically publish the full text of any incorporated material in a text-searchable format and use strikethrough/underline formatting to show changes.

This legislation applies to CDDs that exercise rulemaking authority under Chapter 120, Florida Statutes. Under the new requirements, CDDs must publish a notice of intended agency action within 90 days after the effective date of any legislation granting them rulemaking authority. When proposing new rules, CDDs must now include the proposed rule number in the notice, allow at least seven (7) days between publishing the notice of rule development and the proposed rule itself, and electronically publish the full text of any incorporated materials in a searchable format. All changes must be shown using strikethrough and underline formatting. CDDs subject to the APA should review their procedures to ensure timely and compliant publication moving forward.

Section 120.5435, F.S., governing the rule review process sunsets on July 1, 2032, unless reenacted. The effective date of this act is July 1, 2025.

4. Chapter 2025 – 85, Laws of Florida (SB 348). The legislation amends the Code of Ethics to establish a new “stolen valor” provision and expands enforcement mechanisms for collecting unpaid ethics penalties. The bill creates section 112.3131, F.S., which prohibits candidates, elected or appointed public officers, and public employees from knowingly making

fraudulent representations relating to military service for the purpose of material gain. Prohibited conduct includes falsely claiming military service, honors, medals, or qualifications, or unauthorized wearing of military uniforms or insignia. An exception is provided for individuals in the theatrical profession during a performance. Violations are subject to administrative penalties under section 112.317, F.S., and may also be prosecuted under other applicable laws.

In addition, the legislation amends section 112.317(2), F.S., to authorize the Attorney General to pursue wage garnishment for unpaid civil or restitution penalties arising from ethics violations. A penalty becomes delinquent if unpaid 90 days after imposition. If the violator is a current public officer or employee, the Attorney General must notify the Chief Financial Officer or applicable governing body to initiate withholding from salary-related payments, subject to a 25 percent cap or the maximum allowed by federal law. Agencies may retain a portion of withheld funds to cover administrative costs. The act also authorizes the referral of delinquent penalties to collection agencies and establishes a 20-year statute of limitations for enforcement. The effective date of this act is July 1, 2025.

This law applies directly to CDDs because CDD board members and employees are classified as public officers and public employees under Florida law. As such, CDD officials are prohibited from knowingly making fraudulent claims regarding military service or honors for material gain under the new “stolen valor” provision. Additionally, the law enhances enforcement tools for unpaid ethics penalties, allowing for wage garnishment, salary withholding, and referrals to collection agencies. CDDs must ensure that their officials and staff comply with these ethics requirements and be prepared to cooperate with enforcement actions beginning July 1, 2025.

5. Chapter 2025 – 164, Laws of Florida (SB 784). The legislation amends section 177.071, F.S., to require that local governments review and approve plat and replat submittals through an administrative process, without action by the governing body. Local governments must designate by ordinance an administrative authority to carry out this function. The administrative authority must (1) acknowledge receipt of a submittal in writing within seven days, identify any missing documentation and provide details on the applicable requirements and review timeframe. Unless the applicant requests an extension, the authority must approve, approve with conditions, or deny the submittal within the timeframe provided in the initial notice. Any denial must include a written explanation citing specific unmet requirements. The authority or local government may not request or require an extension of time. The effective date of this act is July 1, 2025.

While this law does not apply directly to CDDs, as they do not have plat approval authority, it is relevant to developer-controlled CDD boards involved in the land entitlement process. Plat and replat approvals will now be handled through an administrative process by the city or county, rather than by governing body action. Local governments must designate an administrative authority by ordinance and follow strict requirements for written acknowledgment, completeness review, and decision-making timelines. Any denial must include a written explanation citing specific deficiencies, and extensions cannot be requested by the reviewing authority.

6. Chapter 2025 – 140, Laws of Florida (HB 683). The legislation includes several revisions related to local government contracting, public construction bidding, building permitting, and professional certification. It also requires the Department of Environmental Protection to adopt

minimum standards for the installation of synthetic turf on residential properties. Upon adoption, the law prohibits local governments from enforcing ordinances or policies that are inconsistent with those standards.

The act requires local governments to approve or deny a contractor's change order price quote within 35 days of receipt. If denied, the local government must identify the specific deficiencies in the quote and the corrective actions needed. These provisions may not be waived or modified by contract. The law prohibits the state and its political subdivisions from penalizing or rewarding a bidder for the volume of construction work previously performed for the same governmental entity. With respect to building permits, the act prohibits local building departments from requiring a copy of the contract between a builder and a property owner or any related documentation, such as cost breakdowns or profit statements, as a condition for applying for or receiving a permit. The act also allows private providers to use software to review certain building plans and reduces the timeframe within which building departments must complete the review of certain permit applications.

CDDs must follow the new requirements for contractor's change order timelines, restrictions on permit-related documentation, and procurement practices.
